Fully Transferable Thermal Insulated Siding Warranty

Better Homes insulated siding is warranted against blistering, corroding, flaking and peeling as a direct result of defects occurring in the manufacturing process, under normal use and service. Subject to the terms and conditions contained in this warranty If Better Homes and Alside determines that a claim is valid in accordance with the terms of this warranty, Better Homes and Alside agrees, at its sole option, to repair, refinish or replace only the defective siding panels and assume 100% of the cost of the material and labor. In the event that the building upon which the warranted siding and/or soffit have been installed comprises multiple residential or commercial units, including condominiums, then each individually addressed unit shall be deemed to be a separate property owner unit for all applicability purposes of this warranty. For an entity other than living persons of this warranty period shall be for fifty (50) years from the original date of installation, under this warranty. All warranties are null in void if Better Homes does not receive full and final payment on products and services received.

Transferability provisions:

This lifetime warranty (this "warranty") remains in effect for as long owner(s) of the property to which the products were originally Applied [the "Original Property Owner(s)"] continues to live in and to Own the property. In the event that there is more than one Original Property Owner, this warranty will remain in effect as long as one of The Original Property Owners is living and owns an interest in the Property. Upon change in ownership, the warranty will be limited to a one time transfer to the new owner(s) ("subsequent Transferee(s)") as a fifty (50) year Non-prorated warranty beginning from the date of original installation of products. Upon transfer fade shall be covered as set forth in the Fade Protection Schedule.

Exclusions:

This warranty covers only the specific manufacturing defects as Specified herein. This warranty does not cover any other damages Or material failure including, but not limited to, normal weathering, Oxidation, Acts Of God, fire, flood, impact from foreign objects, Chemical pollutants, mildew, structural defects, negligent maintenance, Abuse, distortion or warping due to unusual heat sources (including but Not limited to barbeque grills, fire, reflection from windows, doors or other objects). Normal weathering may cause any surface to oxidize, chalk or accumulate surface dirt or stains due to varying exposures to sunlight, weather, and atmospheric conditions. The geographic location, quality of the atmosphere and other local factors in the area, over which Better Homes and Alside has no control, contribute to the severity of these conditions This warranty is valid only if genuine Better Homes and Alside Vinyl Siding or soffit are used, but shall be void if accessory Products incompatible with the siding or soffit are installed which cause defects to occur. The warranty does not apply to siding that has been painted, varnished, or similarly coated over the manufacturer's original finish unless coating is authorized by Better Homes and Alside pursuant to this warranty.

Insulation:

We warrant that the structural integrity of the insulation will remain intact for the lifetime of your home. Furthermore, we warrant the actual thermal resistance and permeability of the insulation will not vary by more than five percent (5%) from the published R-Value and published perm rating of 5 perms/inch. In the event your insulation is tested according to ASTM Test Method C236 (for R-Value) or ASTM Test Method R96 (perm Rating) and is found to have changed more than 5% , we will replace the insulation , covering both material and labor.

Lifetime Limited Fade Protection:

Better Homes and Alside warrants the products will not fade excessively. Excess fade is defined as a change greater than 3 Hunter Units of Delta E. This Limited Lifetime Fade Protection remains in effect for as long as the owner(s) of the property to which the Products were installed [the Original Property Owner(s)"] continues to live in and to own the property.
